INTERNSHIP EXPERIENCE

Global Health Care Academy– Operations Intern | Bengaluru | *Jun-Aug 2026 (Ongoing)*

- **Managed end-to-end hospitality and logistics operations**, directly coordinating delegate accommodation, comprehensive rooming lists, and multi-route transportation schedules to guarantee flawless event execution.
- **Utilized advanced Excel and process mapping tools** to analyze logistical data, map workflows, and track critical operational data, ensuring seamless campaign delivery and maximum operational efficiency.

Digital Instruments & Control Systems (DICS) | Bengaluru

Control Panels and PLC Programming in Industrial Automation | *Sep-Oct 2023*

- Gained hands-on experience in control panel design, assembly, and testing using MCBs, VFDs and HMIs.
 - Analysed industrial workflows to implement **PLC-based automation** and assisted in the logic design of control panels (Omron CX-1, Ladder Logic) to streamline operational output.
-

PROFESSIONAL EXPERIENCE

Crystal Infosystems and Services – Project Associate (Data Management) | *Nov 2024 – Oct 2025*

- Executed the digitization of physical records, improving data accessibility and reducing document retrieval time by organizing digital repositories.
 - Maintained strict **data integrity** standards across extensive databases, ensuring 100% accuracy in record conservation and retrieval.
-

PROJECTS

- **MoodMirror:** Earned a **Special Mention at the NIMHANS Digital Wellbeing Initiative** competition, Bengaluru for developing and presenting a mental wellbeing web application.
 - **Jana Sankalpa Seva Charitable Trust:** Built and delivered a complete digital presence (website, brochure, and souvenir booklet) for Jana Sankalpa Seva Charitable Trust during the Social Immersion Programme (SIP).
-
